

Compass Solutions
The right direction.

Introducing Compass Solutions –

the right direction for you and your clients.

Manage complex, high-dollar claims and more with help from Compass Solutions. Through preferred pricing arrangements, the Compass Solutions program connects you with best-in-class service providers. These industry experts provide cost-effective services that support quality outcomes, while helping you manage risk.

Services include:

- *Needs assessment and large case management*
- *High-dollar claim audit and negotiation*
- *National transplant network and benefit solutions*
- *Prospective extra-contractual negotiation*
- *Specialty cost-containment solutions*
- *Custom out-of-network arrangements*

Let us point you in the right direction.
